

Opera Touch SFB

Drinks Machines

Design

- Black door with dark grey cabinet and black anodised aluminium profiles.
- Selection area with wide 13.3" full HD touchscreen.
- Visual drinks menu with large customisable product icons.
- Ability to display product information, nutritional information and promotions during drink selection and preparation.

The best mechanical layout

- Tea brewer for freshbrew tea and an additional instant canister for soup.
- Customisable for 9oz or 12oz drinks.
- Up to 7 soluble canisters.
- Cup capacity: 450 9oz cups.
- 24 volt variable speed mixer.

Electronics

- Advanced electronics, using the same technology as on other models in the Necta range.
- Simple and intuitive programming
- Download EVA-DTS data via Bluetooth or IRDA (with BlueRed kit).
- Optional ethernet or wi-fi connection for RSS feed management.
- Flexible management of any payment system and fully compatible with Executive and MDB protocols.

Opera Touch SFB
